HT 103 and HT 133 Pole Pruners

The HT 103 and 133 pole pruners are upgrades to the HT 101 and HT 131. They feature a new, lighter gearbox and enhanced telescopic shaft with a square profile which is stronger and easier to adjust than previous STIHL HT models.

The STIHL HT 103 and 133 pole pruners are now available to order.
