

## **NOTICE: AGRIREWARDS CONVERSION COMPLETE**

The conversion of AgriRewards to Senwes shares has been successfully concluded. We extend our sincere appreciation to all participants for their engagement and the trust they have placed in the Senwes Group. The conversion represents a significant milestone in the growth of the AgriRewards programme, made possible through your valued participation.

An impressive 93% of AgriRewards members took part in the voting process, with 81% opting to convert their benefits into Senwes shares. This demonstrates that clients see value not only in their AgriRewards benefits, but also in the opportunity to participate in the Group's future growth.

A total present value of R135 million in benefits has been converted, resulting in the transfer of approximately 6.4 million Senwes shares to AgriRewards members. This investment now has the potential to grow within the broader Senwes family.

This conversion is a tangible reward for loyalty and provides long-term benefits to every participant.

**Senwes – together we leave new footprints.**
